

The following physicians have been identified as qualified to conduct the medical examination of commercial divers as updated October 11, 2018.

All of the physicians identified below are acceptable to the Diver Certification Board of Canada.

Medicals conducted according to the CSA Z275.2 standard by American board certified hyperbaric doctors and doctors listed as Diving Medical Examiners by the Undersea & Hyperbaric Medical Society at <http://membership.uhms.org/?page=DivingMedical> are also acceptable.

Divers should be aware that not all regulators will recognize all of the physicians identified below, and therefore divers should confirm the acceptability of a given physician with the regulator responsible for the area in which they intend to dive.
